

# NOTTINGHAM AND NOTTS FUCHSIA SOCIETY JUNE 2024 NEWSLETTER

## JAYNE'S JOTTINGS

### DELTA SARAH

A Lovely fuchsia, very popular, can be found in the garden at Wollaton Park Community Centre. I've recently bumped into a colleague who I used to work with and once she found out I was into fuchsias, she quizzed me on how to look after them etc. She likes this particular cultivar so much, she asked if I could get hold of any cuttings: -

◀ On finding the plant, I was able to take eight or ten cuttings.

I have since potted them up into individual pots. I was quite relieved to find that the each one had a decent root system. ▶

## WANTED

I have been handed a list of cultivars from Lyndon. If any of you have any of the following cultivars and could spare a cutting please let Lyndon know. In fact if anyone would like a certain cultivar, please let me know and I can include your request in this section of the newsletter.

<b>WENDY BENDY</b>	<b>DEREK LUTHER</b>	<b>LITTLE JESSICA</b> ✓
<b>HAYLEY JACKSON</b> ✓	<b>JANICE PERRY</b>	

\*\*If you are seeking a specific cultivar, let me know, maybe one of our members can help. \*\*

## POEM OF THE MONTH

<b>TALKING TO VEGETABLES</b> <i>by Liz Cowley</i>	
You come outside and talk to us – You think that helps to make us grow. You touch our leaves and say nice things While walking up and down our row.	You chop us down, you cut us up, You boil us up and then you eat us, And after all we've done for you. How could you cheat and so mistreat us?
We grow for you, we put on weight – Your words are most encouraging, And then when we are large and strong, You do a most appalling thing.
