MARCH 2026 NEWSLETTER

JAYNE'S JOTTINGS

Spring is definitely in the air and the time has come to start work on encouraging fuchsias back into growth after their spell in the greenhouse. A few new plants have been purchased, (a gift to mum on Mother's day!)

After a visit to Shipley Garden Centre, I was eager to get back and start propagating. A good selection of hebes (top middle). Other hopefuls (top left) Photinia 'Red Robin', Pieris Japonica, forsythia & Euonymus.

◀Two lovely wall baskets which will look wonderful on mum's front wall and of course all work was done under the strict supervision of our resident robin!

Some young fuchsia plants (top right) have been potted on until all signs of frost have gone, giving me time to plan what to do with them next!

BUFFET – Please remember to bring something for the buffet table.

FREE CUTTINGS – Remember **MARCH** is the month when we hand out your **FREE CUTTINGS**.
