

NOTTINGHAM AND NOTTS FUCHSIA SOCIETY

APRIL 2026 NEWSLETTER

JAYNE'S JOTTINGS

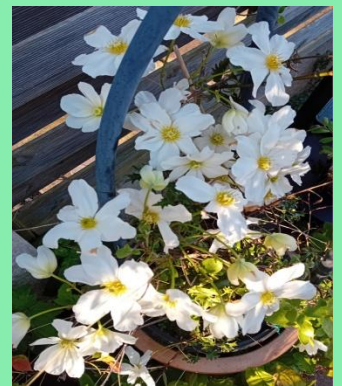

Fuchsias that are still in the greenhouse (you never know, there could still be a late frost!) are now being watered regularly especially during this warm spell!

Having purchased basket plants recently, these have been potted on ready to be planted in their hanging baskets.

Young fuchsia cuttings - I'm pinching these out so that they grow bushy and hopefully be rewarded with plenty of blooms! I am also turning them regularly to ensure an even spread of growth and ultimately an even spread of flowers.

Lovely photos of a white clematis, as you can see it is now in full bloom.
